

LEGAL AWARENESS FOR WOMEN

1. GOAL

The following are the Principles to be followed in setting up a Legal Awareness programme:

The programme satisfy real needs of the students.

- i) The programme such as can handled best by the group approach.
- ii) The cost of the programme can handled by the contribution of the regular staff members of the institution.
- iii) The institution made to ensure active participation with (legal) club activities in formulating and implementing the programme.
- iv) Assessment (or) evaluation of the programme find out on the basis of feedback given by the student participating legal awareness programme.

2. CONTEXT:

Students play an important role society. They will be a good citizen in country. Therefore it is very necessary to know the right and duties are given by our constitution. For this purpose provision to give legal awareness to the betterment of the community.

Community welfare implies schemes and activities that produce conditions that improve the living standard of the people particularly female as well as those circumstances that improve their duties and responsibility of the people.

Measures and activities undertaken by the institution through conducting legal awareness programme for the improvement of the student's knowledge about legal issues.

4. The Practice:

Every year the college will conduct legal awareness programme. This programme will make awareness between the college students.

5. Evidence of success :

Since most of the students of our college are coming from rural areas, and also the girls joining in our college are first generation degree holders the legal awareness programme which we conduct is useful not only for the students also for the family. As per students feed back now the college decided to conduct the awareness programme. Earlier our students will discontinue their education for the marriage. Now the ratio has come down.
