

## PLACEMENT CELL

The Placement Cell of **Dharmapuram Gnanambigai Government Arts College for Women, Mayiladuthurai** plays a pivotal role in shaping the career paths of students by bridging the gap between academic learning and industry requirements. Under the guidance of **The Principal and The Placement Officer** the Cell actively coordinates with reputed companies and organizations to facilitate campus placements, internships, and career-oriented training programs.

During the **previous years**, the Placement Cell made remarkable achievements in placing a greater number of students in various companies and institutions across Tamilnadu.

During the academic year **2024–2025**, the Placement Cell successfully enabled the placement of **382 students** through both the **Naan Mudhalvan initiative** and **in-house recruitment drives**. Top recruiters included Bharat Foxconn, BYD India, Samsung, Yamaha Motors, Athena Global School, and BellStar Micro Finance, among others.

To enhance employability skills, the Cell regularly conducts workshops, industry visits, and awareness programs. Notable events include:

- One-month internship at India Post, Mayiladuthurai
- Mega Job Fair in collaboration with the District Employment Office
- LinkedIn profile-building workshops by FACE Prep and Focus 4D
- Campus drives by schools and manufacturing industries
- Industry recruitment from companies like Foxconn, Hyundai and Samsung
- Mega Job Fair in collaboration with Tamilnadu Skill Development Corporation under Naan Mudhalvan Placement Drive 2025
