

D. G. GOVERNMENT ARTS COLLEGE FOR WOMEN, MAYILADUTHURAI

CANTEEN REPORT

College Canteen

At Dharmapuram Gnanambigai Government Arts College for Women, Mayiladuthurai, the college canteen is operated by Aavin, a government-run enterprise under the Government of Tamil Nadu. The canteen is located on the northern side of the campus and serves as a convenient dining facility for students and faculty members.

A well-equipped canteen is an essential part of any college campus. Our canteen provides a comfortable dining space with tables and chairs, offering a variety of food, tea, coffee, dairy products, and snacks to cater to the daily needs of students and staff.

Since students spend a significant part of their day on campus, access to refreshments and nutritious meals is vital. The college canteen effectively meets this necessity, ensuring that students have access to quality food in a hygienic and pleasant environment.
